DETAILED ACTION

1. Claims 1-4, 6-10, 12 and 14-21 are pending in the application.
2. Claims 7-10, 12, and 18-21 are rejected under 35 USC 102(b), for reasons of record given in the Office Action issued 2/9/05.

Response to Arguments

Applicant's arguments filed 4/29/05 have been fully considered but they are not persuasive.

Applicant argues that the presently claimed invention is directed to alkyl substituted salicylic acids compositions and the process of making the said alkyl substituted salicylic acids, which process the examiner found be novel and unobvious. Applicant alleges that the three cited references (Zon et al., Van Wijngaarden et al. and Van Kruchten et al.) are all directed to the use of an alkyl salicylic acid and not one of the references discloses any information concerning the means by which the alkyl salicylic acids used were prepared.

This argument is not convincing because applicants have claimed an alkyl substituted salicylic acids composition. Thus, applicant's claim language directed to the process steps of making the said alkyl substituted salicylic acids has not been attributed any patentable weight. The three cited references all disclose alkyl substituted salicylic acids compositions.

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
